Implementation Planning Committee

A group of senior managers has been formed and charged with creating a plan to implement the strategic agenda. The committee is scheduled to meet several times during April and May to complete their work.

Steering Committee

Once the implementation plan is completed, the Steering Committee will be reconstituted and charged with oversight of the agenda and future strategic planning activities.

Spring Reception and Networking Event

The College will host a spring reception and networking event on Monday, May 17th which will include a presentation of the strategic agenda. The Board of Trustees, students, alumni, faculty, staff and friends of the College will be invited to attend. It will take place "under the big tent" on Carlisle Street. We hope to see you there!
