

Steps to apply for Financial Aid

Financial aid is defined as grants and loans. Direct Lending has replaced the Stafford loan, and it is available to anyone that makes less than \$250k per year and does not currently have student loans in default status or a felony drug conviction. Men between 18-26 must be registered for the U.S. Selective Service. Financial aid eligibility stipulates that you must be at least a half-time student and maintain at least a 2.0 Grade Point Average. (GPA)
