

Honor Roll of Donors

The continued generosity of our alumni and friends is a source of deep pride and enormous gratitude among the Peirce College community. Your support has made the dream of attending Peirce College a reality for countless numbers of students, who otherwise would be unable to accept Peirce's offer of admission.

This year's Honor Roll of Donors is an important way for us to recognize and acknowledge your commitment to Peirce. We thank you for making such a worthwhile investment and encourage you to continue to help Peirce reach new levels of excellence in the years ahead.

The Honor Roll of Donors lists all donors who made a contribution between July 1, 2009 and June 30, 2010. The Honor Roll recognizes alumni, friends, corporations and foundations by giving level. Every effort has been made to ensure the roster is complete and accurate.
