The Family Educational Rights and Privacy Act affords students certain rights with respect to their educational records. These rights include:

- **The right to review and inspect his/her own education records**
  A student has the right to inspect and review his/her own educational records within forty-five (45) calendar days of the date the College receives a request for access to the records. A student seeking to inspect and review his/her own educational records must make a written request to the College at info@peirce.edu. The written request must identify the record(s) he/she wishes to inspect. Upon receipt of such written request, the Registrar or his/her designee, shall make arrangements for access and shall notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the Dean shall advise the student of the correct official to whom the request should be made.

- **The right to request the amendment of his/her own educational records**
  If a student believes that his/her own educational records contain inaccurate or misleading information or otherwise violates the student’s privacy rights under FERPA, the student may submit a request, in writing, to the Registrar seeking that the College amend the record as requested. The written request should identify the part of the educational record that the student wants changed and should specify why it is inaccurate or misleading or otherwise violates the student’s privacy rights. Within a reasonable time after receiving such written request, the College shall decide to either amend the educational record as requested or shall notify the student that it has decided not to amend the record and that the student has the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when he/she is notified of the right to a hearing.

- **The right to provide written consent to the release of personally identifiable information**
  A student’s personally identifiable information contained in his/her educational record may not be released to a third party, including family members, without written authorization of the student, except to the extent that FERPA authorizes disclosure without such consent.

**Disclosure to school officials with legitimate educational interests**

One exception that permits disclosure without prior written consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including security personnel and health/counseling staff and work study students); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); or a person serving on the Board of Trustees.
A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional duties for the College.

**Directory Information**

Another exception that permits disclosure without prior written consent is disclosure of student directory information of current students. The primary purpose of directory information is to allow the College to include this type of information in certain College publications.

The College has designated the following information as “directory information”:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Date and place of birth
- Photograph
- Major field of study
- Dates of attendance
- Level of education
- Degrees, honors, and awards received
- The most recent previous educational agency or institution attended

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without prior written consent.

A student has the right to advise the College that he/she does not wish the College to disclose any or all of the above-listed directory information without the student’s prior written consent. If a student wishes to exercise that right, the student should contact the College at info@peirce.edu in writing within 30 calendars days of the date of this notification and must specify the type(s) of directory information that the student does not want disclosed without prior written consent.

To obtain a list of all of the circumstances under which disclosure may occur in accordance with FERPA law and regulations, contact info@peirce.edu or visit the U.S. Department of Education, Family Policy Compliance Office (FPCO) website at http://www.ed.gov/policy/gen/guid/fpc.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA

Students may file a written complaint by writing to the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC, 20202-4605.
