TITLE: Faculty Member, Health Programs

DUTIES: Responsible for instruction of undergraduate degree program and certificate courses in the Health Programs. Teaches a total of 10 courses during the Fall and Spring Terms (with a 5/5 teaching load for each Fall and Spring Term). Demonstrated working knowledge of quality management and performance improvement in healthcare, healthcare finance, and strategic planning and organizational development in healthcare. Engages in, on average, 4 hours of institutional service per week which may include committee work, student recruitment programs, tutoring, career mentoring, academic advising, networking activities, and curriculum/course development. Attends functions, as assigned, including commencement, monthly faculty meetings, college forums, and scheduled in-service activities. Becomes involved in professional development activities, and academic/professional organizations.

REQUIRED: Doctorate or Master’s degree and willingness to work towards doctorate in healthcare or education-related program. Demonstrated scholarly and/or professional activity in healthcare management/administration consistent with the mission, goals, and standards of the Healthcare Administration program and Peirce College. Supports existing relationships with professional communities to foster professional socialization and leadership development. Teaching experience in content area and knowledge of curriculum design and educational strategies; strong technical, writing, and critical thinking abilities; excellent communication, customer service, interpersonal, and project management skills; and proficiency in instructional methodology and techniques.

STATUS: Regular Full-Time Nine and One-Half (9½) - Month Faculty/Exempt

HOURS: Day, evening, and/or weekend hours, as required.
